Dated Leaflets : Plan for your distribution to commence 2 weeks before your event.

- 8) **Delivery satisfaction.** If you have any queries about the delivery we have undertaken for you, please supply the following details : distribution date, suburb, street and house no. Box-2-Box aims to have the matter resolved within 48 hours, weather and some circumstances permitting. Any issues received after the 7 days will not be investigated due to the inaccuracy of the results that will be obtained.

- 11) **Left over leaflets.** As our house count for each suburb includes 'No Junk Mail' letterboxes, there will be leftover leaflets. Some of these will be given as surplus to each walker to allow for counting discrepancies and house count changes. We will store the remaining leaflets at our facility for a maximum of 28 days. After this time, if they have not been collected or we haven't received clear instruction from you as to what to do with them, they will be placed in our recycle bin for collection.
